

# 703106 PS Introduction to Parallel Computing and Parallel Algorithms

Philipp Gschwandtner

## Organizational Stuff

---

### ► Instructor

- Philipp Gschwandtner
- philipp.gschwandtner@uibk.ac.at
- room 2W05, ICT Building
- no fixed office hours (send e-mail first)

### ► Dates & location

- see lfu:online for exact dates
- generally Fridays, 09:15-10:00, RR 15

## Exercises

---

- ▶ Initially a few small exercises per week
  - ▶ later on potentially more complex, incremental projects
- ▶ Assignments will be published regularly on GitHub
  - ▶ [https://github.com/philippgs/uibk\\_ipcpa\\_19](https://github.com/philippgs/uibk_ipcpa_19)
- ▶ Solutions must be handed in via e-mail to [philipp.gschwandtner@uibk.ac.at](mailto:philipp.gschwandtner@uibk.ac.at)
  - ▶ before the PS starts!
  - ▶ solutions **must work** in RR 15

## Grading

---

- ▶ Attendance mandatory
- ▶ Grade will be computed based on
  - ▶ quality of the solution (50%)
  - ▶ presentation at the projector & participation during the course (50%)
- ▶ Working in groups is permitted and encouraged
  - ▶ up to 3 people max.
  - ▶ **every** member must be able to present and discuss solution
